🜓 💹 YOU'RE THE HERO OF THE STORY! CHOOSE FROM 37 POSSIBLE ENDINGS 🕿 🥟 🝊

You're a savvy, modern professional with a myriad of communication options available to you. Which one should you use: text, call, voice broadcast, voicemail, email, chat, video chat, call a meeting, or swing by their desk? The answer is: It depends. That's why we've created this handy chart in the style of the old *Choose Your Own Adventure* kids' books from the 1980s and 1990s to guide you—no matter the scenario.

This pull-out poster is a fun way to explore the world of collaboration and unified communications. Simply pull out the center staples, hang it on your wall ... and let the adventure begin!
